Standing Still

Intro

01
The World moved. We didn't.

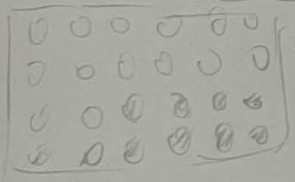

Countries passed Australia

Australia aids neighbours

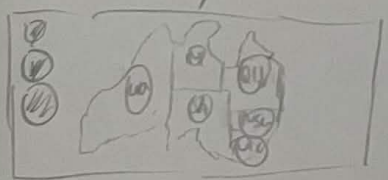

02
We moved Online. So did fraud.

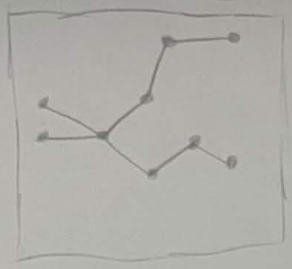

cars fraud climbed.

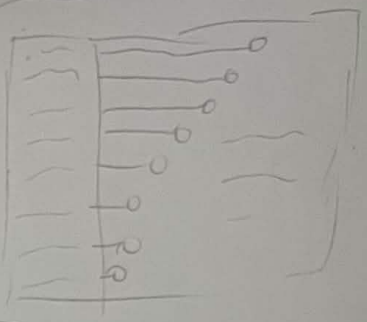

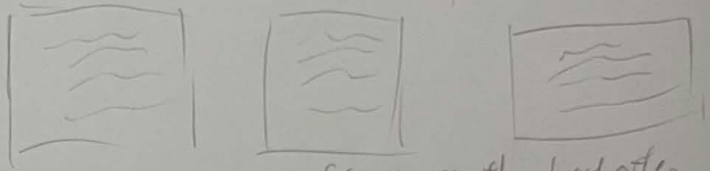

More people, more victims.

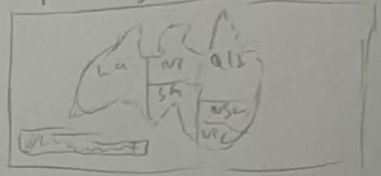

03
Scams barely grew. They moved.

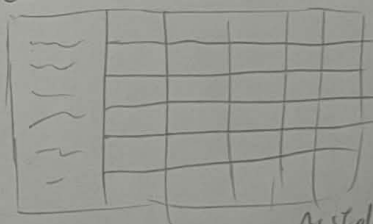

Scams are the least often reported type of fraud.

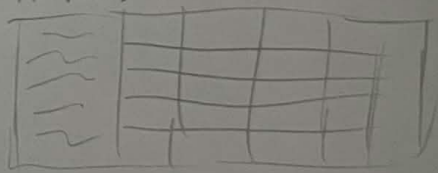

04
The careful still got hit.

carsfraud peaks in midlife

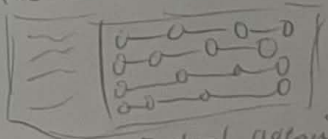

Australians aged 65 and over

05
Its not just households

The smallest business trail on every measure

Federal agencies were the slowest
